**Parental Assistance is Required**

Parents are required to assist in the setting up/packing away of boats and supervision of their children during the course. This is NOT a drop and go course. BYRA is a not for profit community based club that aims to make sailing as affordable as possible. This time can be a lot of fun for parents as well as children. Tasks will be shared based on parents interests, experience and preference. Many hands make light work!

Please indicate tasks in order of interest 1-6 (1 being first preference)
