

Bayview Yacht Racing Association

Parent's & Guardian's Declaration

Bayview Yacht Racing Association is run solely by voluntary efforts of parents. Therefore at least one parent, or their nominated adult representative, of the applicant is bound to assist on a minimum of three days per year with BYRA activities. If for any reason the nominated parent cannot turn up on the rostered day it is their responsibility to find a replacement for their nominated role.

Children under the age of twelve years are not permitted to participate in any sailing without at least one parent, or nominated adult representative being present on the day for the full length of time the child is at the club.

I give permission to the club to seek medical or ambulance assistance for my child/children should this become necessary.

I agree to allow BYRA to use my or my child's/ward's name and any photographs taken of myself or my child/my ward during club events/activities for promotional & public relations purposes.

Sailing can be a dangerous sport at times if not supervised correctly. Whilst BYRA will take all care and offer the safest possible environment for your child it is the responsibility of the parent to give final approval that they are satisfied that they consider it is safe for their child to participate in such sailing events.

I have read and agree to the above conditions.
