Notice of Race and Sailing Instructions for All Dinghy Classes & Yachts 2017 -18 Racing Season

SECTION 1 – GENERAL NOTICE OF RACE AND SAILING INSTRUCTIONS

SAILING INSTRUCTIONS FOR 2017-2018 SEASON

These Sailing Instructions apply to all BYRA centreboard dinghies participating in Combined Fleet Racing (CFR) and Super Combined Racing (SCR – subject to change) on Pittwater.

*** Designates clauses of these Sailing Instructions that are common to BYRA, ASC and RPAYC**

1. * RULES

- 1.1.** All Races will be sailed in accordance with the 2017 - 2020 Racing Rules of Sailing of the International Sailing Federation (ISAF), the Special Regulations of Australian Sailing (AS), the current Class rules of the classes competing (except as any of these are altered by this Notice of Race and the Sailing Instructions)
- 1.2.** All boats must comply with AS Special Regulations in Addendum A Part 2 Off the Beach Boats. Where the current class rules of competing boats are of a lesser standard than the Special Regulations then the latter will prevail.
- 1.3.** Any boat may be inspected before or after a race. Any boat found not to be complying with Class rules or AS Special Regulations may have her entry refused or rejected, recorded as did not start (DNS) or disqualified (DSQ) as appropriate.
- 1.4.** The organising authority is Royal Prince Alfred Yacht Club (RPAYC) in conjunction with Avalon Sailing Club (ASC) and Bayview Yacht Racing Association (BYRA).

2. ELIGIBILITY AND ENTRY

- 2.1.** Every boat competing shall be helmed by a member of the Club
- 2.2.** All applications for entry shall be made on the prescribed entry form. Any boat competing, which has not completed and lodged their entry form, will not receive series points.
- 2.3.** All boats shall be covered with adequate Public Liability and Third Party Property insurance to the sum of at least \$10,000,000 (ten million).
- 2.4.** Casual entries may be received from members of other YA affiliated clubs and shall pay an entry fee (\$10) this will be deemed to satisfy General Sailing Instruction 3.1.

3. NOMINATION OF HELMSPERSON

- 3.1.** The helmsperson of each boat contesting a series shall be nominated on the entry form. No change of helmsperson will be allowed without prior written approval of the Race Committee.

4. * SCHEDULE OF RACES

- 4.1.** Races are scheduled as per the BYRA Sailing Program 2016-2017, and relevant sections as per additional Sailing Instructions.

BYRA

Notice of Race and Sailing Instructions for All Dinghy Classes & Yachts 2017 -18 Racing Season

5. NOTICES TO COMPETITORS

- 5.1.** Notices to competitors will be posted on the Official Notice Board, down stairs in the BYRA Clubhouse.

6. * AMENDMENTS TO SAILING INSTRUCTIONS

- 6.1.** Any change in Sailing Instructions, including course changes will be posted on the Official Notice Board before 1000 hrs on the day it will take effect. A copy of any amendment to Sailing Instructions may also be available from the Committee Vessel.
- 6.2.** Any change in the schedule of races will be made at least two days prior to the race it will affect.

7. * SIGNALS MADE ASHORE

- 7.1.** Signals made ashore will be displayed on the flagstaff, located on the front of the Clubhouse.
- 7.2.** Code flag "AP" with two sound signals (one when lowered) when displayed ashore means "Races not started are postponed". The Warning Signal will not be made less than 45 minutes after the "AP" is lowered ashore. This Alters RRS Race Signals.

8. * FLEETS AND DIVISIONS

- 8.1.** The Race Committee will classify all entered boats into fleets or divisions and reserves the right to re-classify any boat at any time after the completion of a series or point score.

9. * STARTING PROCEDURE

Races will be started using a three-minute sequence. Times will be taken from the visual signals; any failure of the sound signal shall be disregarded. Boats shall not start later than 10 minutes after their starting signal.

<u>Signal</u>	<u>Flag (and sound)</u>	<u>Minutes before Starting Signal</u>
Warning	Division Flag (1 sound)	3 minutes
Preparatory	'P Flag' (1 sound)	2 minutes
One-Minute	'P Flag' removed (1 long sound)	1 minute
Starting	Division Flag removed (1 sound)	0 minute

10. *SCORING

- 10.1.** Low-Point Scoring System, Appendix A of the racing rules will apply including A9.
- 10.2.** One race constitutes a series.
- 10.3.** Optimist Green Fleet will not be scored.
- 10.4.** Any competitor included on the duty roster on application to the Race Committee may receive average points for the races held on the days rostered for duty, provided that the competitor performs such duty. The calculation of average points is at the discretion of the Race Committee and not grounds for redress. This amends RRS 63.1 and Appendix A5.

BYRA

Notice of Race and Sailing Instructions for All Dinghy Classes & Yachts 2017 -18 Racing Season

- 10.5.** Any Competitor who is unable to compete in one or more races due to participation in another important regatta, race, championship or special event may seek relief from the race committee, being average points of that competitor over the series in question. The Race committee shall consider the application having regard to the "important regattas etc's" listed in the program.
- 11. * PROTESTS**
- 11.1.** All protests and requests for redress shall be lodged in accordance with RRS 61 and 62 and shall be delivered to the Race Committee of the protester's home club within Ninety Minutes of her finish. A boat not finishing shall submit a protest or request for redress within Ninety Minutes of the incident.
- 11.2.** Protests Hearings between competitors from different Clubs or Requests for Redress shall be arranged by the Duty Club, which shall nominate a Protest Committee acceptable to the race Committees of all Clubs which the interested parties belong.
- 11.3.** Initially protests may be heard by "mediation" held as soon as possible after lodgement of a protest. The mediator will meet with the protestor and protestee and conduct a mediation hearing as fully described in General Sailing Instructions 12.
- 11.4.** Protests will be heard at the Clubhouse in the order of receipt if practical. For all Class and Division Races, protests may be heard as soon as possible after the finish of protest time but generally protests will be heard at the Clubhouse on the following Wednesday night. A notice will be posted on the Club's Official Notice board after the finish of protest time to inform competitors where and when there is a hearing in which they are parties to protest or named as a witness. These notices are deemed to fulfil the requirements of RRS 63.2.
- 12. * PROTEST MEDIATION**
- 12.1.** A mediation hearing may be conducted for all protests lodged in accordance with RRS 61, which allege an infringement of RRS Part 2 or Part 4. Such hearings will be held subsequent to protest being lodged and prior to the protest hearing.
- 12.2.** The time and place of the hearing will be decided by the mediator and such advice may be given verbally. One representative of each boat shall attend the hearing and no witnesses shall be allowed. The mediator shall decide the manner in which the testimony is given.
- 12.3.** The mediator will be appointed by the Protest Committee and may be a member of a subsequent Protest Committee. Should the protest proceed to a protest hearing then the mediator may be called as a witness at that hearing.
- 12.4.** After taking testimony at a mediation hearing the mediator shall make one of the following conclusions:
- 12.4.1. The protest does not comply with RRS 61 and the protestor may withdraw the protest.

BYRA

Notice of Race and Sailing Instructions for All Dinghy Classes & Yachts 2017 -18 Racing Season

- 12.4.2. The protest shall proceed to a protest hearing. (This may be because RRS other than Part 2 or Part 4 are or may be involved, or because evidence is too complex or divergent to reach a reasonable conclusion, or due to the apparent severity of the alleged infringement, or for any other reason decided by the mediator)
- 12.4.3. There was no infringement and the protestor may withdraw the protest.
- 12.4.4. There has been an infringement by one or more boats involved, the Infringing boat(s) may accept scoring points equal to the finishing place midway between the boats actual finishing place and a disqualification, and if so accepted the protestor shall withdraw the protest. (Half points shall be disregarded and the points of other boats shall not be adjusted).
- 12.5.** A mediation hearing shall not be reopened. Conclusions of a mediator shall not be subjected to appeal nor be grounds for redress.

13. BRIEFING

- 13.1.** A mandatory briefing for all helmspersons or crew will be held in the Clubhouse at approximately 1200 hrs each race.

14. SIGNING ON AND OFF

- 14.1.** Helmspersons or Crew shall sign on the appropriate sheet immediately after the briefing prior to starting, and sign off within one hour of finishing or retiring from the last race of the day. The 'sign on' and 'sign off' sheets will be located in the downstairs lobby. Boats not finishing shall advise the Committee Vessel or Race Officers and 'sign off'.
- 14.2.** Boats who fail to sign on ashore or sign off may be scored DNS for the first race of the day. This amends RRS 63.1 and Appendix A5

15. * SAFETY REGULATIONS

- 15.1.** Boats not finishing must advise the Committee vessel and then can be towed back to their respective clubs or another safe location by rescue or committee vessels.
- 15.2.** All Competitors shall wear, whilst afloat, a personal floatation device, which complies with AS Special Regulations Part 2 for off the Beach Boats.
- 15.3.** Any competitor who is observed by the Race Committee to be in breach of General NOR 15.2 shall be scored DSQ. This does not limit the ability of the Protest Committee to take action under RRS Part 5, Section C. This amends RRS 63.1 and Appendix A5

16. * RECALLS

- 16.1.** Individual Recalls shall be in accordance with RRS 29.1 Boats on course side of the starting line MAY be identified by voice.
- 16.2.** General Recalls shall be in accordance with RRS 29.2.

17. KEEPING CLEAR OF THE STARTING AND FINISHING LINE

- 17.1.** Boats whose Preparatory Signal has not been made shall keep clear of the starting area and of boats whose Preparatory Signal has been made, the Race Officer may advise boats not starting, by hailing them.

BYRA

Notice of Race and Sailing Instructions for All Dinghy Classes & Yachts 2017 -18 Racing Season

18. PROHIBITED WATER (RANKS AS AN OBSTRUCTION)

- 18.1.** The area of water between the registered moorings and the adjacent shoreline inside Pittwater including Scotland Island shall be considered as PROHIBITED WATER (i.e. continuing obstruction) for boats that are racing. All Navigational Marks shall be passed on their designated side.

19. * RADIO COMMUNICATIONS

- 19.1.** Except in an emergency, a boat shall neither make radio transmissions while racing nor receive radio communications not available to all boats. This restriction also applies to mobile telephones.

20. * COACHING

- 20.1.** Any person may coach Green Fleet or Silver Fleet competitors but only if approval has been given by the Race Officer. One Designated Official Club Coach from each Club on the day may coach any competitors at any time, if flying a yellow flag.
- 20.2.** Coaching of such competitors does not constitute grounds for protest under RRS 41 (Outside Help).

21. PRIZES & HANDICAPS

- 21.1.** Prizes will be awarded in accordance with Appendix B of the Sailing Instructions.
- 21.2.** Handicaps will be applied in accordance with Appendix C of the Sailing Instructions.

22. * LIABILITIES OF COMPETITORS

- 22.1.** All those taking part in any race do so at their own risk and responsibility. BYRA is not responsible for the seaworthiness of a boat whose entry is accepted or the sufficiency or adequacy of its equipment.
- 22.2.** Attention is drawn to RRS Fundamental Rule 4, which states - "The responsibility for a boat's decision to participate in a race or to continue racing is hers alone".

APPENDIX A – REPORTING BOATING ACCIDENTS

There are legal requirements for reporting boating accidents in NSW. A penalty exists for not reporting an accident to NSW Maritime. The following is an extract from page 79 of the NSW Maritime Boating Handbook, which describes these requirements: -

“If a boating accident occurs in any port or navigable water in NSW, the master of the vessel must:

- i) Stop the vessel immediately
- ii) Give any assistance which may be necessary
- iii) Produce any licence
- iv) Give details to any person having reasonable grounds for requesting them. This includes master's name and address and any distinguishing number (that is, registration number or permit number), which is required to be displayed on the vessel
- v) If requested by a NSW Maritime officer or any Police officer, provide the following details:
 - Time, place and nature of accident
 - Name and registration number of every vessel involved in the accident
 - Name and address of every person who was concerned with or witnessed the accident
 - Extent of any injury or damage resulting from the accident
 - Produce a boat driver's licence or certificate of competency and
- vi) Where the accident has resulted in the death of, or injury to, a person; or damage in excess of \$5000 to a vessel, or any other property, a written report must be forwarded to NSW Maritime within 24 hours setting out the particulars unless these have already been given to a NSW Maritime officer or Police officer.

Vessel Incident Report Forms are available from any NSW Maritime office, the Police, the Royal Volunteer Coastal Patrol and Australian Volunteer Coast Guard.

Note: A penalty exists for not reporting an accident to the NSW Maritime.

Whilst the foregoing is generally applicable to all marine accidents, NSW Maritime advise the following “POLICY FOR HANDLING INCIDENTS OCCURRING IN AQUATIC EVENTS” may apply in the case of accidents involving boats competing in the BYRA, ASC and RPAYC Combined Fleet Racing Program.

BYRA

Notice of Race and Sailing Instructions for All Dinghy Classes & Yachts 2017 -18 Racing Season

POLICY FOR HANDLING INCIDENTS OCCURRING IN AQUATIC EVENTS

PRINCIPLES

- 22.3.** The NSW Maritime will leave the management of incidents occurring under an Aquatic Licence largely to participating Clubs or Governing Bodies/Organisations. In general, all race participants compete under governing body regulations, are aware of the risks involved, and are (mostly) covered by Third Party Public Liability insurance.
- 22.4.** The NSW Maritime will generally intervene only where it is clear that the issue is a significant one and action by the Club or Governing Body/ Organisation appears to have been inappropriate or incomplete and/or there has been a significant disregard of marine legislation.

POLICY FOR HANDLING INCIDENTS OCCURRING UNDER AQUATIC LICENCES INVOLVING SAIL POWER AND PASSIVE (NOT DRIVEN BY EITHER MECHANICAL POWER OR SAIL) VESSELS.

- 1.** The NSW Maritime expects that the organising Club will investigate incidents between vessels racing in licensed events on the basis of the rules under which the vessels were competing or racing.
- 2.** The *Navigation (Collision) Regulations – NSW* will always prevail where racing and non-racing vessels interact and when vessels are racing under different governing body regulations.
- 3.** The Organiser (Club) of an approved aquatic activity must report all incidents involving a fatality, serious injury and/or damage where such is considered significant having regard to the types of vessels involved, to the nearest NSW Water Police or NSW Police station immediately. The Organiser must also report the incident to NSW Maritime in writing within 48 hours of occurrence and report the results of findings of an inquiry in writing to NSW Maritime within 28 days of the incident.
- 4.** The NSW Maritime reserves the right to investigate any incident at any time and will ALWAYS investigate when significant disregard of marine legislation occurs.

Note:

- 1.** "Serious injury" is defined as requiring hospitalisation other than for treatment of minor injury or for observation only.
- 2.** "Significant damage" is determined having regard to the types of vessels involved and would generally be in excess of a \$ value which is appropriate to the overall value of the vessel (eg \$500 quantum could be appropriate for small boats – Sabots, skiffs etc but is insignificant for a "Maxi").
